

Dear Parent/Guardian,

Message from the Head of School:

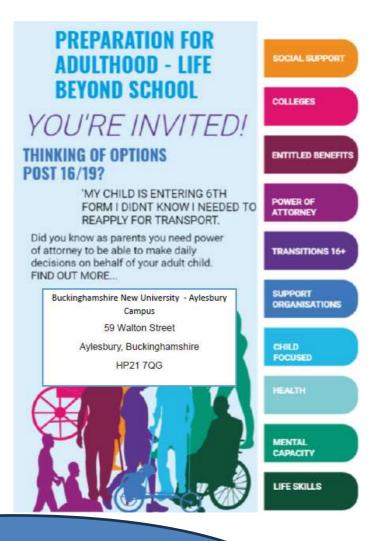

Two weeks into the Summer term and I'm not seeing too many signs of Summer yet!

This week we had a production of The Hobbit for the 6th form, joined by a few other classes to fill the spaces. This was different from previous productions as it was aimed at the older age group.

We have a number of events coming up, including a First Aid coffee morning which is being held at Booker Park at 9am on 22nd May. We are in the process of organising a behaviour coffee morning which I will update you on when the date and time are confirmed. I am personally looking forward to the Preparation for Adulthood Event which is taking place next Wednesday at Bucks New Uni. The talks from 1-2pm include SENDIAS, Owl Legal and Department of Work and Pensions who will provide some really helpful information. The Transitions team will also be present so will be able to answer questions. I hope to see you there.

Rhonda

Mission Statement

Together, overcoming barriers, enabling each child and young person to reach their full potential

Class Update:

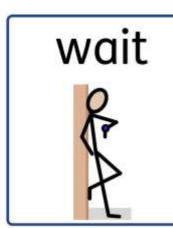

This term Maple class has been learning about shopping. They came up to the class shop and chose an item to exchange for pound notes at the classes cash register. They chose the pound note to exchange for the item which they were given time to play with.

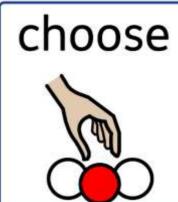

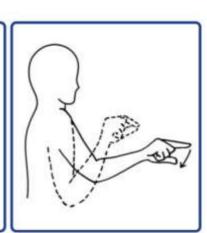

Signs of the Week:

Vision

A future where every child achieves the greatest level of independence, enabling them to become a valued member of society

Helping families with children who have special needs

Many families with children who have special needs struggle through life and long for a short break from their child to enable them to do the things that most people take for granted, including spending some quality time with their other children

Can we help you?

Caring for a child with special needs can sometimes be exhausting or impossible.

If you live in Buckinghamshire, CHAT can provide a grant to enable you to access help with your child. This will enable you to take a break from your caring role and to have quality time with other family members or just to have a much needed rest.

How?

Families can use their grants to fund childminders, specialist holiday and after-school clubs, time at animal therapy farms, drumming lessons, kickboxing, gym and martial arts sessions.

Get in touch

For further information on how CHAT can help you please download our application form on our website www.chat-charity.org.uk or use the following contact details: 07402 063133 | office@chat-charity.org.uk
