MESSAGE FROM HEAD OF SCHOOL

Due to the unfortunate weather conditions this week the photographer has rescheduled to 20th June. We aim to take photos which are more natural, a lot of which are done outside, rather than trying to sit students in the hall. I hope that the showery spell will be finished by then.

I wanted to share some highlights from the Summer so far. We were absolutely thrilled to welcome Electric Umbrella to our school for a day of music, fun, and creativity! You may recognise the name as they received a golden buzzer on Britain's Got Talent. Their incredible performances had everyone singing and dancing, and our students loved getting involved with the music-making. It was an inspiring, inclusive, and energetic visit that brought smiles to everyone's faces!

We are delighted to announce that our first school charity shop, part of Sixth Forms' Community Action, was a great success! Students and staff worked together to sort, display, and sell donated items. Everyone enjoyed the experience, and we can't wait to run it again soon!

24 HOUR BADMINTON MARATHON UPDATE

Saturday 24th May saw the start of the 24 hour badminton marathon which was organised by Kristen Rutson who works at The Vale Federation.

The event was held to raise money towards an adaptive trike to support our pupils.

During the 24 hours along with the badminton marathon, there were many other activities taking place including a tombola, raffle, children's party and bingo.

The club are still collating the total and we look forward to sharing this with you soon. Thank you to everyone who was able to support with this. Here are some photos of the event to share with you all.
