## CLASS UPDATE

### Sixth Form – What's been happening...

Students in Sixth Form focused on the classic story of Treasure Island by Robert Louis Stephenson for Story Telling Week! Some of the activities included – sharing the story with friends;

- Cooks of the Caribbean – making pirate bread, treasure cookies and croissant crabs to sell
- Story Massage – a game of Treasure Chest on the scooter boards as students try to get the most gems and jewels
- Beach building in Construction Club
- Bucket – a sensory version shared in Assembly and much more!

It was totally AARRRSOME!

### Preparation for Adulthood

Stocklake Park held their second ever Preparation for Adulthood event this year and it was great to see students and parents/carers in attendance!

Our event aims to support:

- Young people and families planning their future paths
  - Parents and carers helping their children navigate options
  - Individuals of all ages seeking support and inspiration
- We had talks from SENDIAS, Owl Legal, the DWP and our first ever information session from Hilary Labonne (HSBC), one of our parents, about banking!

There were opportunities to find out about our next steps with provisions such as Talk Back, MacIntyre, Step Up, Oaklands College and The Inclusion Project, to name a few!

Helping families and our young people finding their next steps is part of our ethos and it is never too early to think about what is next!

### MILTON KEYNES LIGHTNING

We had an ice-blast of a time with The Milton Keynes Lightning, an ice hockey team from Milton Keynes, Buckinghamshire. The Lightning currently play in Britain's second-tier professional league, the National Ice Hockey League. Students had the opportunity to explore, ask questions, try on uniforms, identify ways to keep healthy and promote the love of sport and fitness! Why not check their website and attend one of their fixtures!

## MESSAGE FROM HEAD OF SCHOOL

This week saw a variety of World Book Day related activities, including assemblies and story massage. We have been building up to this week through co-production of helicopter stories (scaffolded story writing and story telling).

£1 book tokens have been sent home this week – you can take the £1 book token to your nearest book shop and swap it for a World Book Day £1 book, OR get £1 off any book costing £2.99 or more. You can find your nearest book shop at [worldbookday.com/participating-retailers](http://worldbookday.com/participating-retailers).

Staff will help if you know you will struggle to get to a book shop – let your class teacher know if this is an issue and you can then send back the voucher for us to get a book on your behalf.

If you have not yet had a chance, please book your Parents' Evening times for next week so that we can share information, progress and targets.

Rhonda Gosney

## SIGN OF THE WEEK

Core Word

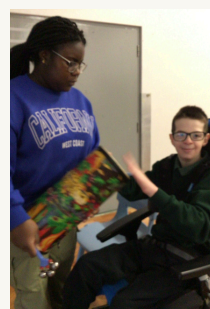

## CELEBRATIONS

To celebrate the end of the last half term, all our students rocked out with Duncan from XYZ Music Academy. Their aim is to provide a music 'Mecca' for all budding musicians to come and learn, rehearse, record and perform! The overall sense of joy, fun and engagement was palpable as students sung, played, danced, took turns and rocked out with their friends.

***'This was amazing, I have had such a great crowd, and I have travelled all over the world, it's been a real enjoyment.'*** – Duncan Lee.

If you or your young person is interested in finding out more, please head over to XYZ Music website – [Click here](#)
