## CLASS UPDATE

### Ikigai

We have enjoyed doing different activities for PE from; OT circuit, Walking Hockey to swimming. For English we have had shared reading. We have enjoyed going to the library reading books, getting books out and buying books. Last week we went to the Confident Futures Skills Show held at Stoke Mandeville Stadium, looked at career opportunities and we had fun doing activities like gaming, drumming, fishing and remote control cars.

### Sixth Form

Please see below more photos of the great opportunities students in sixth form have been accessing – such as; Environment day, some more of Walking Hockey and Sports Leaders at the High School.

## MESSAGE FROM HEAD OF SCHOOL

It was great to catch up with some of you at Parents' Evening – thank you for taking the time to come in, or talking to us on the phone where you couldn't come in. If you didn't get the chance to talk to someone, please make contact with your class and we will try to find a suitable time. For a number of weeks, students have been practicing signing along to Bruno Mars "Just the way you are". It was great to see this being performed as part of our Summer Jam. It felt like a proper festival with the sun shining!

Have a great weekend.

**Rhonda Gosney**

## SIGNS OF THE WEEK

Core Words

something's wrong

## IMPORTANT NOTICE – THAMES VALLEY POLICE

### E-BIKES

#### What you need to know

 You can only ride an e-bike if it (and you!) meet certain requirements.

Did you know you can only ride an e-bike if it meets certain requirements and you are 14 years or over?

Electric bikes are also known as 'electronically assisted pedal cycles (EAPC)' or e-bikes. E-bikes must have pedals that can be used to propel it, and it must show either the power output, or manufacturer of the motor and either the batteries voltage, or maximum speed of the bike.

The electric motor must have a maximum power output of 250W, and should not be able to propel the bike when it is travelling more than 15.5mph.

If an e-bike does not meet these requirements then it is classed as a motorcycle or moped, and needs to be registered, taxed and insured, you also need a driving licence and to wear a helmet.

If you are riding an e-bike which does not meet these requirements and it is not registered, taxed or insured, your e-bike could be seized.

### E-scooters

#### What you need to know

 It's illegal to ride a privately owned electric scooter in public

Did you know it's illegal to ride a privately owned electric scooter (e-scooter) in public?

That's because e-scooters are classed as motor vehicles in law. So, in theory, this means that you need an MOT, road tax and insurance to use one, however it isn't currently possible to register e-scooters in this way.

Privately owned e-scooters can only be used on private land, with the permission of the landowner.

You cannot use a privately owned e-scooter on the road, pavement or in a public space. If you do then you risk receiving a large fine, points on your driving licence and your e-scooter could be seized.

Some parts of the UK are running government trials of rental e-scooters. If you're over 16 and have a full or provisional driving licence, then you can use these on public roads and cycle paths.

Just check that your driving licence covers categories AM, A or B.

## SCHOOL CALENDAR

**Saturday 21<sup>st</sup> June**

World Music Day

## 6 GOOD REASONS TO CONSIDER OUR SWIM SCHOOL

- We use lovely warm water private pools in Bedfordshire and Buckinghamshire.
- And have small class sizes.
- We are happy to teach siblings of different ages and abilities in the same lesson.
- And parents can sit poolside during lessons.
- We provide free replacement lessons if you cannot attend a lesson due to holiday or sickness.
- And we teach all year round including during school holidays.

**IF YOU WOULD LIKE MORE INFORMATION  
PLEASE COMPLETE AN ENQUIRY FORM FROM**
