SCHOOL NEWS

CLASS UPDATES

Willow Class

It has been great having all the students back and getting into the swing of things in Willow Class. We are learning about shapes in Maths, all the students really enjoyed learning about the circle shape. We looked at different items that are circular in shape in everyday life like; wheels on the bus, as well as creating art with circles and drawing them in the sand. Some students even got to go around the school identifying things that are circular shaped and took photos. They will learn more shapes as the term goes on. It will be a fun and engaging term.

Maple Class

Maple Class have had a wonderful start to the new term after returning from the Easter break. Everyone has settled back in brilliantly and were full of enthusiasm as they dived into our exciting new topic – Transport! One of the highlights so far has been dressing up as train drivers. The students loved stepping into character with their hats and jackets, and imagining as train drivers. To add to the fun, they also created their very own train tickets, which they enjoyed scanning and checking with their classmates in a playful and educational role-play activity. It's been fantastic to see so much creativity and teamwork already, and this is just the beginning. We're looking forward to a fun and engaging term ahead, packed with more hands-on learning and joyful experiences!

MESSAGE FROM HEAD OF SCHOOL

I hope that you had a lovely Easter break. Thank you for sending in photos and information about what you have been doing. The Facilities & Estates Team have been busy over the holiday period coordinating improvements to the playground area.

The outdoor shelter and sensory panels funded by MASKS and the William Harding Charity have been installed, and were explored by many students on their first day back. The timing was pertinent as students were using it to stay dry this week!

On a less positive note, Yvonne, our school nurse, has been informed that Norovirus has had a resurgence. This is not meant to panic anyone and we have not seen this in school, but to alert you that we will continue to be cautious in sending home students who have diarrhoea, and or vomiting, to help reduce the risk of spreading.

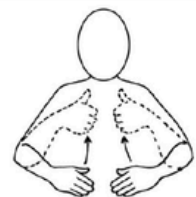

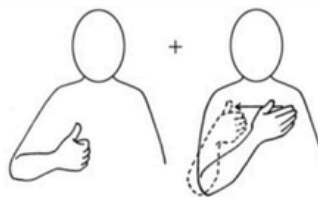

Have a good weekend.

Rhonda Gosney

SIGNS OF THE WEEK

Good
morning

how are
you?

Electric Umbrella

Friday 18th July
Prom

Wednesday 23rd July – Last day of Term

WELL DONE DENYSE! COMPLETING THE BRIGHTON MARATHON TO RAISE MONEY FOR DRIVE DECK

Thank you – £1,870 was raised for Drive Deck!

I'd like to thank everyone who supported me through the Brighton Marathon, those who donated and also those who travelled to Brighton to support in person. The weather was certainly nicer for you than me! I enjoyed every single mile and did not want the experience to end. I stopped to say hello to everyone who came along for the journey, did the YMCA in the garden of the local supporters and generally just had a blast without hitting a wall. I hear Bradley is signing up next year! Anyone who has ever thought of doing a marathon, I say go for it. I will keep the page open for one more week for those who wanted to wait to see if I actually finished before donating [click here](#). And I will leave you with my cheesy finishing photo...

SCHOOL MEAL ORDERING

SCHOOL MEAL ORDERING FOR NEXT HALF TERM:

- The Arbor school meals ordering window **WILL OPEN ON FRIDAY 2ND MAY** to order all school meals for the next half term (Monday 2nd June to Wednesday 23rd July)
- The meal ordering window for next half term **WILL CLOSE AT 12NOON ON MONDAY 12TH MAY**

Have a great weekend.
