CLASS UPDATE

TAJIRI CLASS

The students in Tajiri class have been working hard this week. It's been lovely to hear about what they've been up to in half term. The students have been answering questions related to texts of their choice, which have included; **The Festival of Holi** and **Lilo & Stitch**. In maths the students have worked on number problems; rounding prices up to the nearest whole pound to enable them to add items more independently, especially when they are shopping. It's been so rewarding to hear their awareness of their own progress. We'll be trying this out when we next access the community.

The class continue to work effectively as a team and have discussed how to resolve a problem with John our Speech and Language Therapist.

MESSAGE FROM THE PRINCIPAL

As ever it has been great to see the students back at school after the week's break. I do hope you and your children managed to enjoy the weather, with one of the hottest May half term weeks in memory. Needless to say the rain has returned upon our return, although that is probably a good thing with such a hot, dry spell. For those of you who come on to site, you may have noticed a lack of activity with regard to the building work. There has been the need to reschedule some works as there is a gas house which needs to be moved and the scheduling of this involves other third parties which has an impact on everything else. Thanks as ever to everyone for their patience managing with less than ideal drop off and pick up arrangements. On a related theme, we have been looking at different options for some weeks now to replace the activities that our old rebound centre afforded us. I am pleased to say that a large outdoor trampoline is due to be installed over the weekend to compensate for losing the trampoline in the rebound room. Its function will be a little different, in that it is a different size and shape to the old trampoline, but it will provide an opportunity for youngsters to have a bounce in the day. Rest assured the activity will be well monitored and appropriately supported, and access to the trampoline will be gated off. On another front, over the half term week, we had our bikes and trikes serviced and repaired. Whilst there are a couple of them still out for repair, these are now available for use.

Next week we will be having Parents' Evening on **Wednesday 10th June**. We would really love to see you all there. It is a great opportunity to talk about how your child has been getting on, to review TPP targets, and consider the areas which are most important in the coming term and year. I will have some of the plans regarding the Rebound building available to see if you are interested, and we'll also be asking for your views via a survey – look out for a separate communication coming to you on Monday related to that. If you have not yet made an appointment, please do so, and remember we are happy to meet virtually if coming in to school is difficult.

Bradley

STAFF UPDATE

DUKE OF EDINBURGH – BUCKINGHAM PALACE

I was delighted to attend the Duke of Edinburgh's Gold Award Garden Party at Buckingham Palace, a wonderful celebration of the achievements of young people who have completed the programme. It was an unforgettable experience, with highlights including listening to guest speaker, TV personality and author Tasha Ghouri. Born deaf, Tasha shared her inspiring journey and the challenges she has overcome. Her message was both powerful and uplifting, "**Don't let your disability define you and hold you back. Your journey will be up and down and often exhausting, you may struggle to focus. Your current destination is not the end, you can overcome and reach high and be proud of each step. What is your true purpose? Self discovery is always evolving.**" It was also a delight to see Prince Edward and meet British F2 driver Billy Monger, who lost both legs in a crash aged 17 and has overcome his struggles to continue to race an adapted racing car and is now a F1 commentator.

POST 16 & POST 19 EVENTS

Oaklands College Open Day

Parents, carers and young people are invited to discover the opportunities at Oaklands College, a supportive and inclusive setting offering vocational courses, supported learning, and life skills programmes. Oaklands is ideal for students aged 16–25, with SEND, who benefit from personalised support, practical learning, and preparation for employment or independent living. Oaklands College is well-suited to students with complex needs, including PMLD and ASD, offering highly personalised support, specialist facilities, and programmes focused on communication, independence, and quality of life. Register [here](#) for open days for July.

National Star Open Days

If you are interested in learning more, we recommend registering your interest for future open day events and National Star College via their website. This will ensure you receive updates about upcoming opportunities to visit, meet staff, and explore their specialist provision.

About National Star

National Star is a highly specialist college for young people aged 16–25 years old with complex physical disabilities, medical needs and associated learning difficulties. It offers personalised programmes focused on independence, communication, employability, and health and wellbeing, supported by expert therapy, care and assistive technology in a fully accessible environment. Visit their website [here](#).

Bucks College Group

Bucks College Group welcome your child and family to their June Open events!

A great opportunity to explore their campuses, meet tutors, and discover a wide range of courses, helping students take their next step with confidence.

Can your child go?

Their Inclusive Practical provision is designed for students with an Education Health Care Plan (EHCP), offering personalised support, small classes and a welcoming environment where learners can reach their potential. Courses include Pathway to Independence, Pathway to progression, Pathways to supported employment and Supported Internship with Mission Employable.

Dates:

- Wycombe Campus – Tuesday 16th June, 5–7pm
- Aylesbury Campus – Thursday 18th June, 5–7pm
- Amersham Campus – Saturday 20th June, 10am–12pm

Tour the campus, meet students, speak to Tutors and get advice on future pathways – and as always there will be lots of freebies to take away!

Find out more [here](#).

PLANNED ROAD WORKS AYLESBURY

HS2

HS2 Works Notification: Notice of A418 Oxford Road Traffic Management.

We will be replacing the current mobile traffic lights, with fixed traffic lights on the A418 EKFB site entrance.

Location

A418 Oxford Road, between Coldharbour roundabout and Stone, opposite EKFB A418 compound site entrance.

Duration

1 day single lane closure, Monday 8 June, 9:30am to 3pm (off peak) 1 night full road closure, Tuesday 9 June to Wednesday 10 June, 10pm to 5am.

What to expect

1 day single lane closure 4-way temporary traffic lights, off peak 9:30am to 3pm. 1 night full road closure, with associated diversion route.

For further information follow [the link](#).

HS2 Works Notification: Notice of traffic management A4010 and Risborough Road.

We are completing outstanding minor works along the A4010 Stoke Mandeville Relief Road including curb and paving repairs and installing new signage. At the junction of Risborough Road and Old Risborough Road we are taking core samples from the road to inform future works in the area.

Location

A4010 Stoke Mandeville Relief Road, Risborough Road and Old Risborough Road.

Duration

1 night at the A4010, 8:30pm Wednesday 10 June to 5:30am Thursday 11 June

1 day at Risborough Road/Old Risborough Road, Monday 15 June, 8:30am–5:30pm

What to expect

Single lane closures with 2-way traffic lights at both locations respectively.

For further information follow [the link](#).

You can find out more about what is happening in your area using the **[In Your Area](#)** pages of the HS2 website. You can also **[view a map of your area](#)**, which includes any planned works in your area and a HS2 route map. If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on **08081 434 434** or email **hs2enquiries@hs2.org.uk**.
