CLASS UPDATE

Ikigai

A big thank you to Ikigai class for arranging and hosting our School Charity Shop, to parents, carers, classes and staff for donating items, and to all the classes and parents who attended. Students managed to bag themselves a bargain, from cuddly toys and books, to clothing and hand planted herbs! Sixth Form look forward to hosting these work opportunities again next year, giving other classes access to work experience too.

Whole School Catering Event

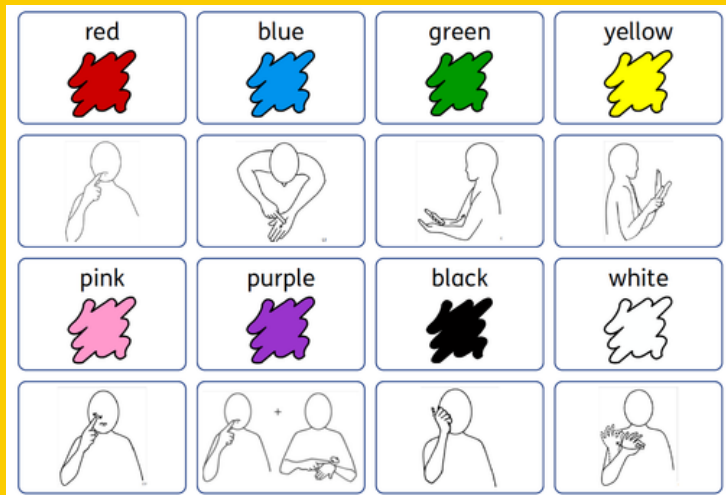

Students throughout the school enjoyed a Sensory Catering session last week, aimed at incorporating our Curriculum and Framework in 3 areas; CID, PHSE and GATSBY Benchmarks. Students had a wonderful time - mixing, whisking and tasting food, and decorating a variety of delicious cakes. The theme was 'Explore, Create, Taste!' and each student had a photo taken with their cake or in Chef Gear and a Certificate.

SIGNS OF THE WEEK

Colours

We have now reached the end of the core words on both the 20 and 30 symbol core word boards. For the next couple of weeks, we will focus on some 'useful fringe vocabulary' that can be easily used with the core words. This week is **Colours**.
